Just a spoonful of sugar helps the medicine go down  
The medicine go down-wown  
The medicine go down  
Just a spoonful of sugar helps the medicine go down  
In a most delightful way

#### Bare Necessities

Look for the bare necessities  
The simple bare necessities  
Forget about your worries and your strife  
I mean the bare necessities  
Old Mother Nature's recipes  
That brings the bare necessities of life

They'll come to you!

#### Monologue #1

I've always dreamed of being a hero. I've tried everything to become super. I let a spider bite me... no spider powers; just lots of itching. I tried standing too close to the microwave oven hoping the radiation would change me. Nothing. And I got in trouble for making so many bags of popcorn. But I took it all to school and had a popcorn party. I was a hero that day. So I guess it kinda worked.

#### Monologue #2

(Screams.) Look what happened! Oh no, oh no, oh noooooo! What am I going to do? It won't come out! No, Mom, you can't cut my hair! There must be another way! This is all Daddy's fault. He gave me that Hubba Bubba gum. Two whole pieces! I can't help that I fell asleep. My hair will be way too short if you cut it! Can't you wash it out? Isn't there anything we can do? I don't want to lose all my hair!
